Homework Projects

You have 2 weeks to complete each project.

All projects can be found on DoodleLearn. Throughout the year the homework projects are supplemented with regular subject specific homework which is set through DoodleLearn.

To complete your projects you can use computers and resources in school before and after school, at break and lunch in the library or specific faculty area.

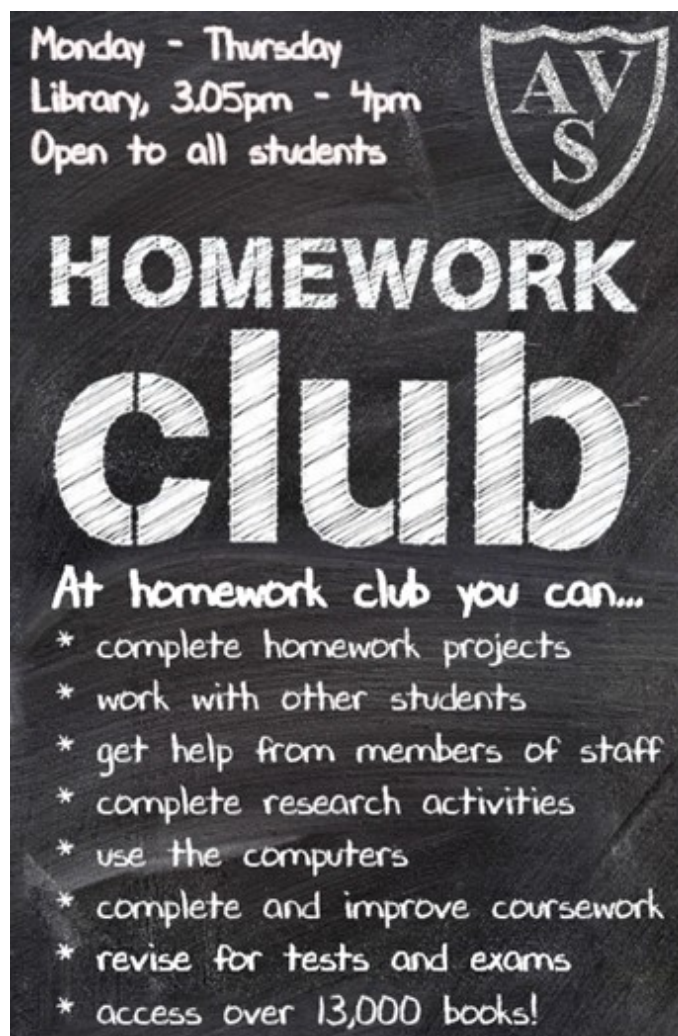

Homework

In addition to the projects students will also receive weekly homework for Maths, English and Science. Subject teachers may also set homework activities relating to topics being studied in class.

Homework completion is monitored. Rewards and sanctions issued as appropriate.

If you are struggling with a piece of homework, speak to your teacher.

Keep this sheet for future reference.
